

ILLINOIS INSTITUTE for LOCAL GOVERNMENT LAW

Corporate Sponsorship Program

Professional local government management is vital to Illinois cities and counties. Throughout the state, communities depend on highly qualified professional attorneys to help them meet the demands placed on local government. The Illinois Institute for Local Government Law (ILGL) is a not-for-profit professional organization founded in 1992 to serve the needs of the practicing local government attorney. Since its inception, the Institute has served as a conduit for timely publications, workshops, conferences and website. The Institute enables local government lawyers to share information and solutions to problems of mutual interest by providing an open forum for the exchange of ideas and "no holds barred" discussions of issues. Membership in the Institute is open to all attorneys licensed to practice law in Illinois and actively representing local government.

Our Mission:

It is the purpose of the Illinois Institute for Local Government Law to coordinate and promote professional education, information exchange and interaction among local government attorneys in Illinois in order to ensure the highest level of professional representation to units of local government.

The ongoing success of ILGL is dependent on several factors, but possibly none as important as the financial support of corporate sponsors. As an Association, we believe that encouraging private sector partnership can enhance our knowledge and understanding of your expertise, services and/or products available to local governments. We invite you to join us by serving as a sponsor of the ILGL.

Attached is a document that provides an overview of the valuable benefits that correspond with corporate sponsorship. All membership in ILGL is subject to the review and approval of the Board of Directors of the Association.

If you have any questions, please contact ILGL Executive Director Dawn S. Peters at 815-753-0923 or e-mail her at dpeters@niu.edu. We look forward to your participation in the *ILGL Corporate Sponsorship Program*. Thank you for your consideration.
