## ILGL Info Share

The Illinois Institute for Local Government Law is proud to announce a new and improved information sharing portal called ILGL Info Share! This system will allow ILGL members to ask questions and get responses directly into your e-mail. ILGL Listserv provides the following features:

- Displays the most current 10 questions asked
- Enables you to search question and answer history
- Allows you to build your own profile so that it is personalized to your interests
- Ability to opt in/out of categories and tailor options for receiving information
- Ability to capture, store, sort and view all current and archived information
- See the latest questions from both associations – as well as your topics of interest
- Ability to respond to a posted question as well as an e-mailed question

Please note that member e-mails have been pre-loaded into the system. You do have an opt out option available. However, before you opt out, please give this a chance as ILGL believes it will be a great resource to share and exchange information between members!
