

ILLINOIS LOCAL GOVERNMENT LAWYERS ASSOCIATION

Corporate Sponsorship Program

The purpose of the Illinois Local Government Lawyers Association (ILGL) is to coordinate and promote professional legal education, information exchange and interaction among local government attorneys in Illinois in order to ensure the highest level of professional representation to units of local government. And, we believe that encouraging private sector partnerships enhance our awareness and understanding of your expertise, services and products.

Please accept our invitation to join us in by becoming an active sponsor of the ILGL; participating in our growth and creating opportunities to inform and assist our members. We have some new benefits and levels of participation – and one of them may be right for you!

Throughout the state, communities depend on highly qualified professional attorneys and others to meet the strenuous demands of local government. The ILGL provides timely, practical and relevant networks, publications, workshops, conferences and discussion venues. The Association enables local government lawyers to share information and solutions to problems of mutual interest by providing an open forum for the exchange of ideas and "no holds barred" discussions of issues.

Why sponsor ILGL? In order for members of ILGL to effectively serve local government organizations and clients, the membership needs the expertise of other professionals to accomplish this task. By gaining exposure to ILGL membership, you are in turn marketing your services to the benefit of your company and the ILGL members. Additionally, given that ILGL is an organization of municipal and local government attorneys throughout Illinois, by advertisement and sponsorship, you are able to get exposure to municipal attorneys across the state, which includes exposure to additional clients (e.g. elected officials and other local government professionals).

The following provides an overview of the valuable benefits of corporate sponsorship in the ILGL. Please read it and select the level of participation that best suits your organization. If you have any questions, please contact ILGL Executive Director Dawn S. Peters at 815-753-0923 or e-mail her at dpeters@niu.edu.

We look forward to your participation in the *ILGL Corporate Sponsorship Program*.

Sincerely,
The ILGL Board
